Prize-Winning Gladiolus Give Giant Flowers

HARDY ASTERS

Lovely autumn - flowering plants that give color when gardens are dull and lifeless. Entirely hardy.

Barr's Pink. Bright pink. Vigorous plants 4 to 5 feet high.

Blue Cloud. Light blue with yellow eye.

Queen Mary. Large; blue.

ANTHEMIS

Tinctoria, Perry's Variety. Golden yellow flowers from June to October.

AQUILEGIA

Mrs. Scott Elliott Hybrids. An extra-fine strain of long-spurred Columbines. Mixture of many beautiful colors.

DAISY

Hartje and Elder Early. "Memorial Day Daisy." Large, Shasta-daisy-like flowers with long and more graceful stems. About two months earlier than the Shasta Daisy.

Shasta Supreme. Very much larger than the old Shasta Daisy. Flowers pure white, often 5 inches across.

DIGITALIS

Giant Shirley Foxglove. A new strain of an old-fashioned plant with flower stems 5 to 7 feet high. Blooms vary in color from white to deep rose.

IBERIS

Sempervirens. Hardy Candytuft. A dwarf plant covered in early spring with pure white flowers. Desirable for rock-gardens and borders.

All plants in this list (except as noted), 15 cts. each, \$1.25 per doz., postpaid.

Write for special prices on lots of 100 or 1000 plants

It will be to your advantage to come to our gardens for the plants and purchase them at our special "cash and carry" rates

This list of Gladiolus is not as long as some—but the varieties are top-notch prize-winners. You can depend on the bulbs and on the flowers. Every bulb is large, No. 1 blooming size.

Six of any one variety for 25 cts.; 45 cts. per doz., \$2.50 per 100, postpaid

Anthony B. Kunderd. Ruffled, deep cream flowers, flushed pink, lower petals primrose-cream.

Betty Nuthall. Light coral, with orange throat.

Giant Nymph. Rose-pink, with creamy throat.

Golden Dream. Pure golden yellow. Tall stem with many flowers.

Halley. Salmon-pink, with white blotch in throat. Early.

Mrs. Francis King. Flaming pink, marked with red. Brilliant and showy.

Panama. Light pink; large, open flower.

Peace. Pure white, with feathering of light lilac on interior of petals.

Wilbrinck. Light lilac-rose, shading darker in throat. Early flowering.

FINE MIXTURE OF NAMED VARIETIES

40 cts. per doz., \$2.25 per 100, postpaid.

Unusual Iris

All members of the Iris family have a large place in the modern garden. In fact, some of the classes are indispensable for color and early blooms.

Imperator. Dutch or bulbous class. Standard lavender-purple; falls azure-blue, with yellow blotch. 5 cts. each.

Yellow Queen. Dutch or bulbous class. A clear yellow. 10 cts. each, 75 cts. per doz.

Japanese Iris. Great showy flowers during the month of July. Mixed colors. 20 cts. each, \$1.50 per doz.

Siberian Iris, Perry's Blue. Rich sky-blue. Extremely popular. Blooms in May. 20 cts. each, \$1.50 per doz.

Siberian Iris, Snow Queen. Pure white. 20 cts. each, \$1.50 per doz.

IMPERATOR and YELLOW QUEEN DUTCH IRIS

PHLOX SUBULATA (Moss Pink)

HARDY PHLOX

Laphami. Dark blue. April and May. Fine border plant.

Miss Lingard. An early-flowering white variety, beginning to bloom in May and continuing until late autumn.

PHLOX SUBULATA

Moss or Mountain Pink (Garden Thrift)

Alba. A carpet of pure white.

Autumn Rose. Light pink; continuous blooming.

Moerheimi. Carmine-pink.

Rosea. Light pink or rose.

PANSY

Best giant strains. Extra-large blooms with marvelous colorings. 35 cts. per doz., \$1.25 per 100.

PHYSOSTEGIA

Virginica. A species of False Dragonhead; soft pink blooms.

SALVIA

Farinacea. Lavender-blue or light lavender.

Pitcheri. Blue Meadow Sage. Deep blue flowers from mid-summer to late autumn.

STATICE

Latifolia. Small blue flowers on 15- to 18-inch stems. May be dried for winter bouquets.

VALISNERIA

Spiralis. Eel - Grass. Grows under water with long ribbon-like leaves. Perfectly hardy.

VERBENA

Lavender Glory. Extra-large, pure lavender blooms which are sweetly fragrant.

VERONICA

Spicata. Tall spikes of blue flowers from June to frost.

All plants in this list (except as noted), 15 cts. each, \$1.25 per doz., postpaid.

Write for special prices on lots of 100 or 1000 plants

Daffodils for Early Garden Flowers

Conspicuous. Medium trumpet. Perianth creamy yellow; lemon-yellow cup. 10 cts. each, 75 cts. per doz.

Gloriosa. White, with orange cup. 10 cts. each, 75 cts. per doz.

King Alfred. Extra-large trumpet; golden yellow. 15 cts. each, \$1.25 per doz.

Laurens Koster. Pure white perianth; orange-yellow cup. Fragrant and handsome. 10 cts. each, 75 cts. per doz.

Princeps. Bright yellow trumpet. Large, showy flowers in abundance. 10 cts. each, 75 cts. per doz.

Sir Watkin. Sulphur-yellow perianth; yellow and orange cup. 10 cts. each, 75 cts. per doz.

Grand Soleil d'Or. For growing in pots or bowls of water; grows outdoors in the South. Clear yellow. 15 cts. each, \$1.15 per doz.

Paper-White. For indoor blooming, but is hardy outdoors in the South. Pure white. Large bulbs, 3 cts. each, 30 cts. per doz. Jumbo bulbs, 5 cts. each, 45 cts. per doz.

Jonquils. Fragrant yellow flowers in early spring. 10 cts. each, 75 cts. per doz.

Queen Anne Jonquil. Rare. Very small, dainty yellow flowers; double. 25 cts. each, \$2.50 per doz.

Frau Karl Druschki

Editor McFarland

Roses for Color and Fragrance

2-yr. field-grown plants, 45 cts. each. Any 3 for \$1.25; any 12 for \$4.50, postage prepaid

Mrs. Charles Bell. Shell-pink flowers, shaded with soft salmon.
Cecile Brunner (Sweetheart Rose). Flowers bright pink on yellow ground.

Columbia. A pleasing shade of rose-pink; delightfully fragrant.
Frau Karl Druschki. Snow-white flowers with pink blush at center.

Etoile de Hollande. A popular garden Rose of brilliant crimson-red. Free and continuous bloomer.

President Herbert Hoover. Blooms are a blending of cerise-pink, flame, scarlet, and yellow, making a dazzling color effect.

Editor McFarland. Flowers glowing pink with a light tinge of yellow.

Jonkheer J. L. Mock. Fragrant carmine-pink blooms borne singly on long, strong stems. Vigorous grower.

Pink Radiance. Popular carmine-pink Rose which is bound to succeed anywhere.

Red Radiance. Bright cerise blooms. Free blooming.

Betty Uprichard. Very fragrant flowers of a delicate salmon-pink; vigorous and free blooming.

Paul's Scarlet Climber. The most popular of all climbing Roses. Vivid scarlet blooms produced in clusters.

Dr. W. Van Fleet. An exquisite, delicate pink climbing Rose. Free blooming and splendid for cutting.

Here is a Parade of Color and Fragrance

CLIVIA

Miniata. Flowers scarlet, with yellow throats, followed by bright red berries. Most satisfactory as a house-plant. Bulbs 75 cts. to \$3.50 each, according to size.

Ornithogalum arabicum

HEMEROCALLIS

Flava. Lemon Day Lily. Fragrant flowers of clear lemon-yellow in May and June on stems 3 feet high. 15 cts. each.

Kwanso plena. Orange or coppery red, double flowers in July and August. Height 4 feet. 15 cts. each.

GRAPE HYACINTHS

Hyacinthus muscari. A familiar flower in early spring. The blooms are bell-shaped, deep blue in color. 35 cts. per doz.

ROMAN HYACINTHS

May be grown in pots or in the garden. Fragrant, loose, French blue flowers on stems 4 to 6 inches high. 15 cts. each.

LILIES

Henryi. Flowers orange-yellow with chocolate dots. Cover bulbs with 4 inches of soil. 35 cts. each.

Philippinense formosanum. Trumpet-shaped white flowers on stems 2 to 6 feet high, in July, and continues blooming until frost. Cover bulbs with 4 inches of soil. See illustration. 35 cts. each.

Regale. Blooms pure white inside, beautiful yellow throat. Cover bulbs with 4 inches of soil. 30 cts. each.

Tigrinum. The familiar Tiger Lily. Bright red, shaded orange, with purple dots. 30 cts. each.

LYCORIS

Aurea. Known also as the Yellow Spider Lily. Deep yellow blooms in autumn. \$1.50 each.

NERINE

Sarniensis. Guernsey Lily. Bright crimson blooms in autumn. The foliage dies in late May, but begins to grow after blooming-time. 15 cts. each.

ORNITHOGALUM

Arabicum. Open, bowl-shaped white flowers in May. Very attractive. 10 cts. each.

PEONY

Edulis superba. Bright mauve-pink; collar mixed with lilac. Early blooming. 35 cts. each.

TUBEROSE

Pure white, bell-shaped, very fragrant blooms which are carried on stems 1½ to 4 feet high. 5 cts. each.

ZEPHYRANTHES

Commonly called Fairy Lilies or Zephyr Flowers. Desirable for indoor blooming and in the garden when grown in protected places. Hardy in the South. Fine for naturalizing.

Atamasco alba. Pure white flowers about 3 inches long in early spring. 10 cts. each.

Candida. White flowers much like a crocus, but produced in summer and autumn. 5 cts. each.

Carinata. Soft rose-pink flowers with contrasting yellow stamens. Plants from 6 to 8 inches high and desirable for borders and in rock-gardens. Blooms all summer, after each rain. Appropriately called "Rain Lily." 15 cts. each.

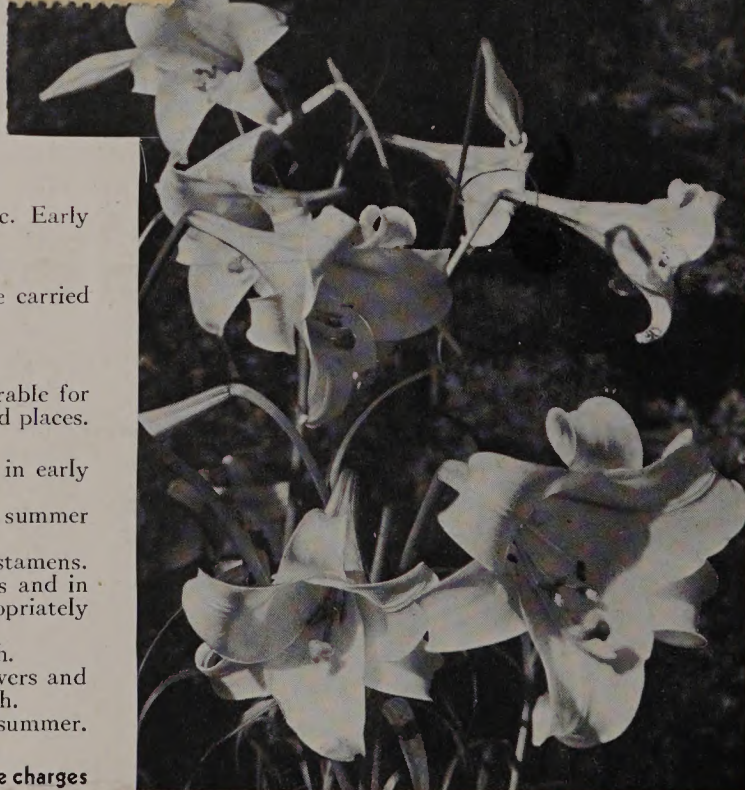

Lutea. Very dainty small clear yellow flowers. 25 cts. each.

Robusta. Light orchid. Largest and longest-stemmed flowers and largest bulbs of all. Prolific summer bloomer. 15 cts. each.

Rosea. Deep rose-pink flowers about an inch long in summer. 10 cts. each.

One dozen bulbs at ten times the each price. We prepay postage charges
